

§ 78u-4(a)(3)(B)(iii), provides, *inter alia*, that the most-adequate plaintiff to serve as Lead Plaintiff is the person or group of persons that has either filed a complaint or has made a motion in response to a notice and has the largest financial interest in the relief sought by the Class and satisfies the requirements of Fed. R. Civ. P. 23. OPERS believes it has the largest financial interest in the relief sought by the Class based on the loss it incurred as a result of its trading in Federal Home Loan Mortgage Corporation during the Class Period in the case at bar and *prima facie* satisfies the typicality and adequacy requirements of Fed. R. Civ. P. 23. *See* 15 U.S.C. § 78u-4(a)(3)(B)(iii)(I). During the Class Period, OPERS suffered a loss of \$27.7 million on a first-in first-out (“FIFO”) basis and a loss of \$18.5 million on a last-in first-out (“LIFO”) basis. During the shorter class period specified in the New York Action, OPERS suffered a loss of \$26.1 million on a FIFO basis and a loss of \$17.3 million on a LIFO basis. *See* Doc. 5 at 14.

Pursuant to Section 21D(a)(3)(B) of the Securities Exchange Act of 1934, 15 U.S.C. § 78u-4(a)(3)(B), as amended by the PSLRA, OPERS is appointed as Lead Plaintiff for the Class as it has the largest financial interest in this litigation and otherwise satisfies the requirements of Fed. R. Civ. P. 23. This determination, however, shall in no way prejudice defendants’ right to challenge certification of a class pursuant to Rule 23 at a later stage of this litigation.

Furthermore, the choice of counsel of OPERS is approved. Accordingly, the law firms of Waite, Schneider, Bayless & Chesley Co., L.P.A. and Chitwood Harley Harnes LLP are appointed to serve as Co-Lead Counsel for the Class.

IT IS SO ORDERED.
